## AN OPTIMIZED CAPSULE DISTRIBUTOR

The NESPRESSO Business Coffee Solutions capsule distributor stores Nespresso coffee capsules and distributes six coffee varieties thanks to its optimal compartment system.

The distributor can be attached to the wall for best space management or placed on a surface (table, shelf, etc.).

- Six distributor compartments
- Large storage capacity: 6 tubes (240 capsules)
- Additional storage space for six tubes
- Simple to use
- Easy to fill

The capsule distributor and the storage cabinet also work with the Gemini CS 200

- Large drawer for coffee cups and optional cup-warming plate
- Small drawer for spoons, sugar, and capsules
- 3 x containers for water, used capsules and waste.

## AN INTELLIGENT STORAGE CABINET

The NESPRESSO Business Coffee Solutions storage cabinet allows all of the *Nespresso* accessories to be stored away to provide absolute comfort in your enjoyment.
